

The background of the entire page is a photograph of a modern outdoor lounge area. It features a large, dark-framed pergola with vertical slats. Inside the pergola, there is a light-colored sectional sofa with dark blue cushions and a low, light-colored coffee table. The area is surrounded by lush green trees and foliage. The sky is a clear, pale blue. The Awnmaster logo is overlaid on the center of the image.

ENGINEERED OUTDOOR LIVING

Specialising in pergolas, retractable awnings, adjustable louvres, screens, verandas, shadeports and solar carports, Awnmaster combines structural integrity with clean, modern design. Each project is approached with technical precision and a deep understanding of how outdoor spaces should perform in the South African climate.

From private residences to commercial developments, Awnmaster creates installations that are not only visually impressive, but structurally sound and built for longevity.
